

Kindness Pictures

- **Intro:** Kids will create their own kindness posters
- **You Will Need:** Poster board (paper works, too!) markers or crayons, tape, scissors, misc. arts & crafts supplies
- **Instructions:** Give each kid a piece of poster board along with markers and other art supplies to design a kindness-themed poster. Have them brainstorm a list of kindness slogans or quotes about kindness.
- **Examples:** “Kindness Changes Lives.”, “Kindness is Cool”. They can then choose their favorite slogan or quote and design their poster around it. They can then hang their posters on the fridge or even in their room – if they are allowed!
