## Proud Partner of Schools

At JonnyPops, we see the cafeteria as more than a place where students get their calories—it is a vital community hub where fostering kindness is crucial. By partnering with schools that share these beliefs, we aim to enhance student nutrition programs with high quality and accessible pops, all the while uplifting school communities. Scientifically proven, cultivating kindness not only improves student health but also combats the issues of bullying and depression. Through our delicious pops, JonnyPops will continue to positively contribute to school environments nationwide.

Kindness is a superpower, share it!

*A Kind Deed on Every Stick*
